To Whom This May Concern,

Hello my name is Gina Gagliano. I am the owner of the Kettle Moraine Ranch in Eagle, Wisconsin. I will be hosting our 2nd Autism Awareness Festival Fundraiser.

All profits will be donated to the organization BRIDGE THE GAP & Medical Expenses for a local Family whose son is on the spectrum.

- Bridge the Gap, Inc.'s mission is to provide a safe, non-judgmental environment for those with Autism and all special abilities to reach their full potential as they journey from childhood through adolescence and into adulthood. Our purpose is to provide individualized client programs and therapeutic interventions, strengthen family ties through education and raise public awareness of Autism and other special abilities.
- Learn more about this amazing organization at- <https://www.bridgethegapforautism.org>
- Autism, or autism spectrum disorder (ASD), refers to a broad range of conditions characterized by challenges with social skills, repetitive behaviors, speech and nonverbal communication. According to the Centers for Disease Control, autism affects an estimated 1 in 44 children in the United States today. We know that there is not one autism but many subtypes, most influenced by a combination of genetic and environmental factors. Because autism is a spectrum disorder, each person with autism has a distinct set of strengths and challenges. The ways in which people with autism learn, think and problem-solve can range from highly skilled to severely challenged.

We are looking for donation items for our Silent Auction, Raffle, along with Sponsorship Money to make this event the best it can be. Please help in making this festival a huge success. If you choose to donate, I can email you "Bridge The Gap's" Tax ID for your records. Together we can make a difference. Let's help spread awareness for Autism. Please show your support

Thank You:
